From our Provincial Delegate

Re: **Electronic Breviary**

It is my suggestion that communities use the printed text for the common recitation of the Liturgy of the Hours at their monthly meetings.

I think it is important, moreover, that newcomers learn to use the Breviary in book form.

Members are free to use the electronic breviary when praying the Office privately at home. In this case, they may use any app. There is no Carmelite app to my knowledge.
