

*Never think that geographical distance can ever separate souls whom God has united by the ties of His love. The children of the world are separated from one another because their hearts are in different places; but the children of God, having their hearts where their treasure is, and sharing only one treasure – which is the same God – are consequently always united and joined together. St. Francis de Sales*

### 2022-2023 OCDS NECROLOGY

2-12-21	Dolores Kazlauskas	Punta Gorda FL
12-10-21	Nancy Lauer	Punta Gorda FL
